## Research

---

<b>Research Editor</b>	Prof. Winston P. Nagan
“Misappropriation of Indigenous Traditional Knowledge and the Search for a New Paradigm of Protection: A Case Study in Biopiracy”	Spring 2010
• Executed original research for 100+ footnotes	
• Produced additional sources to buttress footnotes	
<b>Law Note</b>	UF Levin College of Law
“Stepping on Ants: ‘Amazon’ Tax Laws and the Little Guy”	Spring 2010
• Forthcoming in the Florida Journal of Technology Law & Policy	
• Proposes that while Amazon taxes appear to be a good way for governments to make up lost revenue, it will instead result in lower overall tax revenue and damage the online marketing industry.	
<b>Seminar Paper</b>	Prof. William H. Page
“Biting the Hand That Feeds: Net Neutrality, Non-Discrimination, & Transparency”	Fall 2009
• Illustrated interaction between protecting consumers and providing incentives for service providers to invest	
• Described why transparency must be adopted prior to adoption of a non-discrimination rule in network neutrality	
<b>Case Comment</b>	UF Levin College of Law
“Jammie Thomas-Rasset: The Implications of \$1.92 Million”	Spring 2009
• Discussed the constitutional and social implications of awarding disproportional damages for file-sharing copyright infringement	
• Won write-on acceptance to Florida Journal of Technology Law & Policy	
<b>Managing Research Assistant</b>	Prof. Berta Hernández-Truyol
“A Cross-Cultural Model of the Grieving Process”	2009 – 2010
• Compiled research on grieving processes in 15 countries	
• Created research team website using ActivCollab software	
• Indexed and archived other assistants’ research on website	
• Generated standard process to pass on website’s research structure to next Managing Assistant	
<b>Chief Research Assistant</b>	Prof. Berta Hernández-Truyol
“How Did I Not Know? The Importance of <u>Latinos &amp; the Law</u> ”	Fall 2008
• Article requested by Harvard Latino Law Review reviewing legal textbook	
<b>Master’s Thesis</b>	Dean John Kraft
“Sapporo Holdings LTD Case Study”	Spring 2007
• 75 page in-depth analysis of the company, its industry, and future predictions	
• Invested over 100 hours in data gathering, and analysis	

---
